Chapter 11—The Privilege of Prayer
SC 93

Chapter 12—Prayer and Revival
Pr 116

Through nature and revelation, through His providence, and by the influence of His Spirit, God speaks to us. But these are not enough; we need also to pour out our hearts to Him. In order to have spiritual life and energy, we must have actual relationship with our heavenly Father. Our minds may be drawn out toward Him; we may meditate upon His works, His mercies, His blessings; but this is not, in the fullest sense, communing with Him. In order to commune with God, we must have something to say to Him concerning our actual life. SC 93.1

Prayer is the opening of the heart to God as to a friend. Not that it is necessary in order to make known to God what we are, but in order to enable us to receive Him. Prayer does not bring God down to us, but brings us up to Him. SC 93.2
When Jesus was upon the earth, He taught His disciples how to pray. He directed them to present their daily ...

Revival Will Come Only in Answer to Prayer—A revival of true godliness among us is the greatest and most urgent of all our needs. To seek this should be our first work. There must be earnest effort to obtain the blessing of the Lord, not because God is not willing to bestow His blessing upon us, but because we are unprepared to receive it. Our Heavenly Father is more willing to give His Holy Spirit to them that ask Him, than are earthly parents to give good gifts to their children. But it is our work, by confession, humiliation, repentance, and earnest prayer, to fulfill the conditions upon which God has promised to grant us His blessing. A revival need be expected only in answer to prayer.—(Selected Messages 1:121.)

Pr 116.1

There is need today of such a revival of true heart-religion as was experienced by ancient Israel. We need, like them, to bring forth fruit ... 8

HEALTH NUGGET

Health Benefits of Pumpkin Seeds

Pumpkin seeds are highly nutritious and may be associated with health benefits, including improved fertility, better heart health, and enhanced blood sugar control.

Eating only a small amount of pumpkin seeds can provide you with a substantial quantity of healthy fats, magnesium, and zinc. Because of this, pumpkin seeds have been associated with several health benefits, including improved heart health, prostate health, and protection against certain cancers. They are full of valuable nutrients:

- Unlike the hard white seeds from a carving pumpkin, most pumpkin seeds bought at the supermarket don't have a shell. These shell-free seeds are green, flat, and oval.
- Pumpkin seeds are a good source of: manganese, copper, magnesium, phosphorus, iron, and zinc.

Chapter 36—The Impending Conflict GC 582

From the very beginning of the great controversy in heaven it has been Satan's purpose to overthrow the law of God. It was to accomplish this that he entered upon his rebellion against the Creator, and though he was cast out of heaven he has continued the same warfare upon the earth. To deceive men, and thus lead them to transgress God's law, is the object which he has steadfastly pursued. Whether this be accomplished by casting aside the law altogether, or by rejecting one of its precepts, the result will be ultimately the same. He that offends "in one point," manifests contempt for the whole law; his influence and example are on the side of transgression; he becomes "guilty of all." James 2:10.

GC 582.1

In seeking to cast contempt upon the divine statutes, Satan has perverted the doctrines of the Bible, and errors have thus become incorporated into the faith of thousands who profess to believe the Scriptures. The last great

A Faithful Guide, July 11

AG 200

For this God is our God for ever and ever: he will be our guide even unto death. Psalm 48:14.

AG 200.1

No truth is more clearly taught in the Bible than that God by His Holy Spirit especially directs His servants on earth in the great movements for the carrying forward of the work of salvation. Men are instruments in the hands of God, employed by Him to accomplish His purposes of grace and mercy.²⁸The Great Controversy, 343.

AG 200.2

I am encouraged and blessed as I realize that the God of Israel is still guiding His people, and that He will continue to be with them, even to the end....

AG 200.3

If ever there was a time when we needed the special guidance of the Holy Spirit, it is now. We need a thorough consecration. It is fully time that we gave to the world a demonstration of the power of God in
